Revamped Warehouse for Sale in Clairwood

This freestanding renovated double story building has drive-in ramp access to the second floor. The ground floor is around 1400m² with a small yard/parking area in the front, with a roller shutter on the side of the building. The back of the building has the ramp access to a first floor of around 1600m². There is around 500m² of yard also at the back of the property and there are plans in place for a 2nd floor. There are very neat ablution and kitchen areas on both floors.
